Errata on Independent Auditor's Report in Annual Report 2017

It was noticed that an inadvertent printing error was made in Page 19 of our Annual Report 2017, under the Independent Auditor's Report section. The below mentioned paragraph was printed in duplicate in Page 19 instead of the correct version shown below:

Published version of 'bullet 1 in page 19':

"Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation"

Correct version of 'bullet 1 in page 19':

"Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors. "

The corrected Annual Report is duly re-published in X news of the Botswana Stock Exchange, on 19th June 2018.
