## CAUTIONARY NOTICE TO MEMBERS

### TCCIA INVESTMENT PUBLIC LIMITED COMPANY (DSE: TICL)

(Incorporated in the United Republic of Tanzania) ("TCCIA INVESTMENT PLC")

In accordance with rule number 53 (4) and (6) of the Dar es Salaam Stock Exchange rules, Companies are required to publish a cautionary notice as soon as they are satisfied that a reasonable degree of certainty exists that the financial results for the period to be reported upon next will differ by at least 25% from the financial results for the previous corresponding period.

In this regard, TCCIA Investment PLC expects its profit for the six months ended 30<sup>th</sup> June 2020 to be lower by 1,121% compared to that of 2019 due to realization of fair value reserves following de-recognition of some of its equity investments as per IFRS 9 requirements. However, the Company's cash flows and revenues are not affected by this.

The Company will publish its interim financial results for the first half of 2020 soon. Shareholders are accordingly advised to exercise caution when trading TICL shares.
