### TRADING STATEMENT

The Board of Directors of Zambia Breweries Plc ("**the Board**") wishes to advise the Shareholders that for the period ending 31<sup>st</sup> December 2022, the earnings per share is expected to be 33% lower than that of the corresponding period last year for the Company.

Profit for the year reduced, driven by a change in the Company's tax position from a refund last year resulting from impact of change in company tax rate (downward adjustment from 35% to 30%) to a payable position this year.

The Company expects its results for the fiscal year ended 31<sup>st</sup> December 2022 to be released on SENS and published in the local press on or about 9<sup>th</sup> March, 2023. Accordingly, shareholders are advised to exercise caution when dealing in the Company's securities until publication of the results.
