

TRUWORTHS

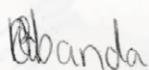

EXTENSION OF PUBLICATION OF HALF YEAR RESULTS FOR THE PERIOD ENDED 10 JANUARY 2021

The Audited Results for the half year review for 2021 were due for publication on 10 April 2021.

Due to the sub-optimal working arrangements arising from the implementation of Lock-down rules in terms of Statutory Instrument 10 of 2021 which required closure of Non-essential businesses, limited working hours and the need to work remotely, there will be a delay in the publication of the Audited Results.

An extension has been granted by the Zimbabwe Stock Exchange (ZSE) to publish the Audited Results on or before 10 May 2021
