

Invitation to advertise in the 2022 ZSE handbook

The Zimbabwe Stock Exchange Limited (ZSE) is inviting prospective advertisers to advertise their products and services in the 2022 edition of the ZSE Handbook. The ZSE Handbook will profile all the ZSE Listed companies, market participants, capital market players and include detailed market statistics for the year 2022. The ZSE handbook is expected to be published by 31 May 2023.

The ZSE handbook will be distributed to the business fraternity, local and foreign investors and it will be A5 in size. The handbook gives market players, stockbrokers and Issuers the opportunity to communicate their product/service offerings to the market, allowing you to speak directly to potential or current local and foreign investors.

The ZSE Handbook also offers prospective advertisers a medium to capture the attention of current and prospective Investors, customers and build strong business synergies in the market through its long shelf life. The ZSE Handbook has a wide reach as it will be distributed as both softcopy and hardcopy.

To advertise in the ZSE Handbook, please email operations@zse.co.zw by 21 April 2023.
