BANK OF GHANA ANNULS THE ACQUISITION OF SHARES OF ADB BANK LIMITED HELD BY BELSTAR CAPITAL LIMITED, STARMOUNT DEVELOPMENT COMPANY LIMITED, SIC-FINANCIAL SERVICES LIMITED, AND EDC INVESTMENTS LIMITED

The Bank of Ghana has today made an **Order** pursuant to section 55 of the Banks and Specialised Deposit-Taking Institutions Act, 2016 (Act 930) to:

- (i) annul the acquisition by Belstar Capital Limited (Belstar), Starmount Development Company Limited (Starmount), SIC-Financial Services Limited (SIC-FSL), and EDC Investments Limited (EDC), of all shares held by them in the ADB Bank Limited (ADB), and all transactions undertaken in respect of the relevant shares;
- (ii) prohibit the exercise by Belstar, Starmount, SIC-FSL and EDC of any of the voting rights or any other rights in respect of the relevant shares; and
- (iii) prohibit the directors appointed by the parties specified above to the Board of the ADB from acting as directors of ADB.

The Order takes immediate effect.

Following the Initial Public Offering (IPO) undertaken in respect of ADB in 2016, Belstar and Starmount directly acquired 24% and 11% respectively of issued shares in ADB.

It has come to the notice of the Bank of Ghana that Belstar and Starmount are affiliates, and unknown to the Bank of Ghana, they entered into agreements with SIC-FSL and EDC to acquire additional shares in ADB in its IPO. These agreements, in addition to the direct acquisitions by Belstar and Starmount resulted in a direct and indirect holding by these companies of over 50% of the shares of ADB without the knowledge and approval of the Bank of Ghana and in breach of section 49 of the Banks and Specialised Deposit-Taking Institutions Act, 2016 (Act 930).

It has also come to the notice of the Bank of Ghana that the shares acquired by Belstar and Starmount were acquired with funds obtained from uniBank Ghana Limited (currently in official administration) using emergency liquidity support obtained by uniBank Ghana Limited from the Bank of Ghana in questionable circumstances. However, the liquidity funds obtained by uniBank were improperly and unlawfully on-lent
