TRADING STATEMENT

In accordance with the Lusaka Securities Exchange ("LuSE") Listings Requirements, the Board of Directors of Cavmont Capital Holdings Zambia PLC (the "Company") hereby advises the Shareholders of the Company that the Loss per Share for the year ended 30 June 2020 is expected to be about 929% higher as compared to the Loss per Share for the year ended 30 June 2019.

The increase in the loss for the period is attributed to an exceptional item incurred during the period relating to internal restructuring costs as well as write off of deferred tax assets previously held. The restructure involved closure of unprofitable branches and centralisation of back office operations.

Shareholders are advised that the information contained in this Trading Statement has not been reviewed nor reported on by the external auditors of the Company.

The Company expects its results for the year ended 30 June 2020 to be released on SENS and published in the local press on or about 30 September 2020. Accordingly, shareholders are advised to exercise caution when dealing in the Company's Securities until publication of the results.
