Goldlink Insurance Reiterates Commitment to Adhering to Regulations

Goldlink Insurance Plc has disclosed that the delay behind the late submission of its 2015 Audited Financial Statements is as a result of some strategic issues that need to be resolved with its Auditors and primary regulator, the National Insurance Commission.

These issues, according to the release from the underwriting company is paramount to the approval of the said Accounts.

Whilst reaffirming the company's efforts in complying with the Listing Rules of The Nigerian Stock Exchange and acknowledging how critical timely disclosure of financial information is to stakeholders in the capital market, the Acting Managing Director, Funke Moore stated that Goldlink Insurance will submit its 2015 Audited Financial Statements on or before the second week in January 2017.
